AIR / HYDRAULIC

WORKSHOP PRESS

45,000KG SAFE WORKING CAPACITY

This "TradeQuip "Made for the Trade" 45,000kg Air Hydraulic Workshop Press is perfect for straightening, stamping, bending and pressing any component that is hard to handle. With it's very wide 826mm bed width and 195mm inside bed gap this press becomes one of the most diverse Workshop Press in the TradeQuip range. The ram is powered by a manual two-speed pump, and the non-slip bed winch features a steel cable roller for easy raising and lowering of the press bed.

FEATURES

- Heavy-duty high-grade steel frame
- Foot operated air trigger ram travel control
- 100mm pressure gauge
- Polished pneumatic aluminum air motor
- Bed winch for easy raise and lower adjustment
- Lead-free paint finish to help prevent rust
- Paint is oil, grease and dirt-resistant
- High quality large diameter hydraulic unit
- Hand winch for fast height adjustments
